Dear Mr. Conley,

On behalf of the CUNA Mutual Group and our President's Council participants, thank you for the uplifting presentation you provided us at our recent President's Council in Hilton Head, South Carolina.

As you know, our President's Council is very important to all of us. It provides us an opportunity to recognize our very top achievers for their previous years attainments and at the same time set the stage to establish our future goals.

I was very pleased with your message and was most appreciative of your asking them to remember the importance of family.

Sincerely,

A handwritten signature in cursive script that reads "Mike Kitchen".
